

PROGRAM SPONSORSHIP

GEAR UP for AG HEALTH & SAFETY™

Program sponsors have the opportunity to be in front of our next generation audience by being visible in our educational presentations and all types of media and program delivery materials. The **Gear Up for Ag Health and Safety™** program reaches college Ag students, farmers, workers and families across North America. The Ag Health and Safety Alliance has the potential to reach 100,000 students and community members through educational programs, outreach activities, and social media. Our ability to reach this generation with a face to face setting also gives us the ability to learn more about how this generation makes decisions and choices related to health and safety.

Diamond \$200,000 or more annual investment

Platinum: \$100,000 – \$199,999 annual investment
